

Dear Parents,

Please reference this dismissal plan for all school dances.

Our priorities are student and traffic safety, so please adhere to the guidelines below:

- We encourage carpooling to and from the dance in order to decrease the number of vehicles.
- The entrance to the front loop will be blocked off in order to prevent traffic backing up onto Grovers Mill Road.
- Please enter through the **faculty parking lot entrance** and **park**. Parents can meet their children at the gym doors.
- To exit, please drive around the back of CMS and exit towards Millstone.
- Please remember that the dance ends at 9pm – students are to be picked up **promptly** at that time.
